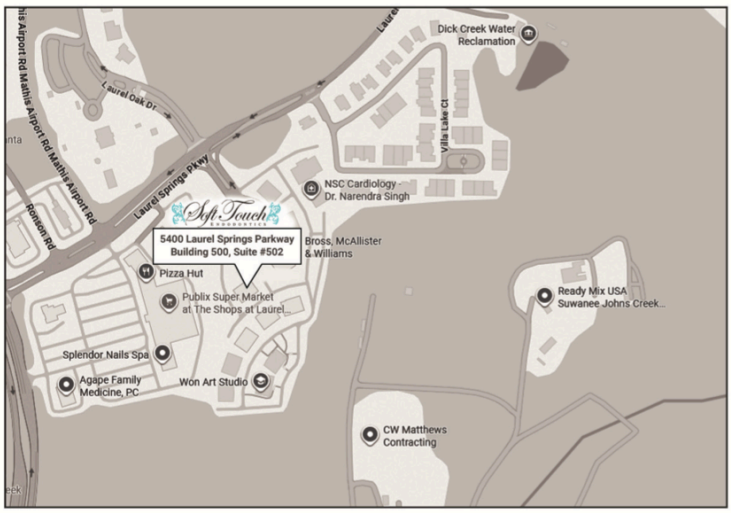
Soft Touch ENDODONTICS

DARLENE DAVIS D.D.S.



We recommend a consultation prior to therapy to ensure a proper understanding of your case and treatment alternatives. This visit allows us to establish communication with your Doctor and the transfer of radiographs and treatment history.

INSTRUCTIONS TO PATIENTS

You have been referred to our office for specialized treatment by an Endodontist. We provide care in a comfortable environment. Please have the following available at your appointment to assist us providing you with excellent service. We look forward to meeting you!

1. **Referral Slip and X-rays if possible.**
2. **A list of current medications.**
3. **Medical or Dental insurance card/forms to assist you in processing any claims.**
4. **Please alert the office if you have a medical condition that may be a concern prior to a surgical procedure (diabetes, high blood pressure, artificial heart valves and joints, pace maker, rheumatic fever).**

You are welcome to call us with any of your questions or concerns.
